<b>Paolo Conterno Barolo Riva del Bric 2006</b>	<b>Nebbiolo</b>	<b>On Hand</b> 1 2 3 4 5 6	<b>97</b>	<b>Barolo, Italy</b>
---	-----------------	-------------------------------	-----------	----------------------

A fantastic Barolo that has masses of liquorice and black plum flavours and a refined smoothness from having spent 24 months in French oak barrels. Giorgio Conterno, son of Paolo, is an energetic young grower near Monforte d'Alba.

Fine harmony and finesse mark this floral-, cherry- and licorice-flavored red. This is firm and tight, yet shows excellent potential for the future. Hints of menthol and especially mineral push the finish. 160 cases imported.

**93 Points Wine Spectator**

The 2006 Barolo Riva del Bric is a pretty wine laced with plums, menthol and spices, all of which come together in a wine that is rather brooding in personality. The wine gains richness and body as it sits in the glass, showing terrific persistence and depth. This new bottling from a vineyard in Monforte shows a darker, more balsamic profile than Conterno's wines from Ginestra, with less overall depth, but then again that may be an unfair comparison as Ginestra is one of the finest vineyards in Italy. Still, this is a very promising new entry from Conterno.

<b>Merry Edwards Russian River Valley 2012</b>	<b>Sauvignon Blanc</b>	<b>1 2 3 4 5 6 7 8</b>	<b>85</b>	<b>Russian River Valley, California</b>
--	------------------------	------------------------	-----------	---

This vintage, we were fortunate to source 42 percent of our grapes from mature vineyards: Dutton-Cohen, Martinelli Home Ranch and Ritchie are all 35 years old. We then complemented this rich foundation with 33 percent Sauvignon Musque from Crinella, Dutton-Jewell and Meredith Estate. I have promoted the planting of this Bordeaux clone of Sauvignon Blanc, originally called Savagnin musque, for the past two decades and now benefit from the resulting opulent harvest! We continue to barrel ferment all of this wine in seasoned French oak, 18 percent of which is new. This allows us to intensively stir the lies twice each week during aging, building palate richness and "muscle" along with depth of flavor. The wine is held in barrel for a full six months to allow its complexity to develop. This wine "struts its stuff" in a sophisticated and stylish fashion. The aroma is floral and mouth-watering, layered with ripe melon, peach and subtle mineral highlights. In the mouth, it is rich and seamlessly well balanced, kicking in a hint of grapefruit, cirrus and pear on the lingering finish.

"Smooth and silky, with spicy details of nutmeg and quince joined by pure, ripe honeydew melon and cantaloupe flavors. Pear, lemon zest and apricot notes are elegant, lithe, and wonderfully juicy on the finish."

<b>Brancaia Il Blu 2007</b>	<b>Super Tuscan</b>	<b>1 2 3 4 5 6</b>	<b>145</b>	<b>Tuscany, Italy</b>
-----------------------------	---------------------	--------------------	------------	-----------------------

Brancaia IL BLU, IGT Rosso Toscana – the top-product from Brancaia. This IGT (Supertuscan) wants to prove what it is possible today at Brancaia in terms of elegance, complexity and intensity. For many wine lovers all over the world this wine is already a classic – perhaps also because through all vintages it shows a strong own identity, reflecting the character and level of our vineyards in the Chianti Classico.

"Lovely blueberry and blackberry aromas lead to a full body, with supersilky tannins and a chocolate, blackberry and currant aftertaste. Very tight and attractive. Racy, balanced and seductive. Best after 2011."

**94 Points Wine Spectator**

"The estate's 2007 Il Blu is a dark sweeping Tuscan red graced with exquisite dark black cherries, new leather, licorice, spices and minerals. The 2007 comes across as one of the more open vintages of Il Blu in recent memory. Some of the structure of the superb 2006 is missing, but the 2007 more than compensates with its seductive fruit and opulent, polished finish. Il Blu is Sangiovese and Merlot with a dash of Cabernet Sauvignon that spent 20 months in French oak.

Anticipated maturity: 2015-2025."

<b>Opus One 2010</b>	<b>Napa Valley Red Blend</b>	<b>1 2 3</b>	<b>330</b>	<b>Oakville, California</b>
----------------------	------------------------------	--------------	------------	-----------------------------

The 2010 vintage will be remembered as a uniquely demanding year with unseasonably cold days, untimely rain fall, and surprisingly hot days. Having left a sufficient number of leaves on the vines, our grapes avoided sunburn from late season heat assuring the success of the vintage. Harvest began on September 23 and concluded on October 23.

Aromas of blackberry, rose petals, chocolate and espresso accentuate fruity and earthy nuances. Round velvety tannins enrobe a silky texture with a touch of minerality. The flavors of dark fruit are enhanced by the well integrated acidity. The acidity and tannin structure promise a very long life ahead. Cabernet Sauvignon 84%, Cabernet Franc 5.5%, Merlot, 5.5%, Petit Verdot 4%, and Malbec 1%

"A glorious perfume of sweet charcoal, truffle, black currants and spice box soars from the glass of the saturated purple-colored 2010 Opus One. The gorgeous aromatics are followed by a beautifully knit, full-bodied red blend (84% Cabernet Sauvignon, 5.5% Merlot, 5.5% Cabernet Franc, 4% Petit Verdot and 1% Malbec) displaying lots of spicy black currant fruit, medium to full body, velvety tannins, and not a hard edge to be found. The texture, length and richness are all impressive. This estate has been making great Cabernet-based wines for nearly a decade ... and this is another one. Drink it over the next 20+ years. "

**96 Points The Wine Advocate**

"Offers both a rich, supple, seamless core of earthy dark berry and touches of rustic loam and dried leather scents, the latter of which give this a drying sensation on the palate. Ends with dried herb, olive and savory notes that Opus fans will love, others perhaps less so. A classic Opus. "
